## \*\* Preparing the Pieces and Sewing the Block \*\*

Start by cutting the Color 1  $3\frac{7}{8}$ " x  $15\frac{1}{2}$ " strip into four  $3\frac{7}{8}$ " squares. Stack these and cut them in half once on the diagonal to make eight half square triangles. You only need seven for this block, so save the extra for another block or project...

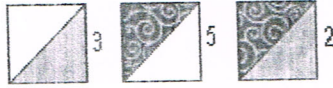

Now cut the Color 2  $3\frac{1}{2}$ " x 7" strip into two  $3\frac{1}{2}$ " squares. Also cut the Color 2  $3\frac{7}{8}$ " x  $11\frac{5}{8}$ " strip into three  $3\frac{7}{8}$ " squares. Stack these squares and cut them once on the diagonal to make six half square triangles. You only need five for this block, so save the extra for another block or project...

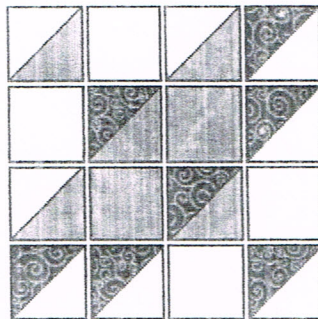

Next, cut the Color 3  $3\frac{1}{2}$ " x 14" strip into four  $3\frac{1}{2}$ " squares. Also cut the Color 3  $3\frac{7}{8}$ " x  $15\frac{1}{2}$ " strip into four  $3\frac{7}{8}$ " squares. Stack

these and cut them in half once on the diagonal to make eight half square triangles...

Using a scant 1/4" seam allowance, sew together pairs of half square triangles right sides together. Make three using Color 2 and Color 3, make five using Color 1 and Color 3 and make two using Color 1 and Color 2. Press seam to darker side. These should measure 3-1/2" when sewn; trim if needed... on to Page 2!

### Wild Duck - Page 2

Now lay out all of your squares and half squares as shown at left. Sew four horizontal rows, alternating pressing directions by row. Join the rows and your block is all done!

### \*\* Supplies List \*\*

Color 1 Color 1 needs: one 3-7/8" x 15-1/2" strip

Color 2 Color 2 needs: one 3-1/2" x 7" strip AND one 3-7/8" x 11-5/8" strip

Color 3 Color 3 needs: one 3-1/2" x 14" strip AND one 3-7/8" x 15-1/2" strip
