**** Preparing the Pieces and Sewing the Block ****

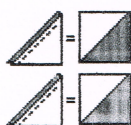

Start by marking and cutting the Color 1 4-1/2" x 9" strip into two 4-1/2' squares. Then mark and cut the Color 1 2-7/8" x 11-1/2" strip into four 2-7/8" squares. Stack the 2-7/8" squares and cut them once on the diagonal to make eight half square triangles...

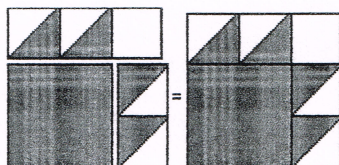

Now mark and cut the Color 2 4-1/2" x 9" strip into two 4-1/2' squares. Then mark and cut the Color 2 2-7/8" x 11-1/2" strip into four 2-7/8" squares. Stack the 2-7/8" squares and cut them once on the diagonal to make eight half square triangles...

Mark and cut the Color 3 2-1/2" x 10" strip into four 2-1/2" squares. Mark and cut the Color 3 2-7/8" x 23" strip into eight 2-7/8" squares. Stack and cut these once on the diagonal to make sixteen half square triangles...

To make the half squares, sew Color 1 and Color 3 half square triangles right sides together using a scant 1/4" seam. Press seam to darker side. Make eight of these in Color 1/Color 3. Make eight more in Color 2/Color 3. Trim these back to measure 2-1/2" if needed...

To make the block's four quadrants, sew half squares and squares together as shown at far left. Make two of Color 1 and two of Color 2...on to Page 2!
