

Part 2

Cut the following fabrics

Fabric 1 :

- (5) $2\frac{1}{2}$ " wide strips cut from selvage to selvage
- (1) $2\frac{1}{2}$ " x 17 strips
- (2) $2\frac{1}{2}$ " x 26 strips

Fabric 4 :

- (4) $2\frac{1}{2}$ " wide strips cut from selvage to selvage
- (2) $2\frac{1}{2}$ " x 17" strips
- (1) $2\frac{1}{2}$ " x 26" strip

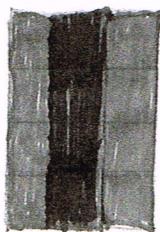

Sew the A Strip Sets

1. Grab two $2\frac{1}{2}$ " wide x selvage width Fabric 4 strips and sew them lengthwise to opposite sides of a Fabric 1 strip. Press to set the seams and then press seam allowances towards the (inner) Fabric 1 strip.
2. The strip set should be $6\frac{1}{2}$ " wide. The middle strip should be 2" wide along its entire length and the outer strips should each be $2\frac{1}{4}$ " wide.
3. Create another identical strip set by cutting and sewing together (2) $2\frac{1}{2}$ " x 17" strips of Fabric 4 and a Fabric 1 strip of the same size

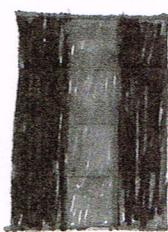

4. Square up one end of each strip set. Cut a total of (20) $2\frac{1}{2}$ " A segments.

Sew the B Strip Sets

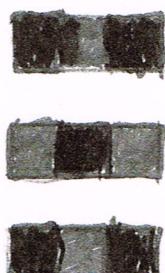

1. Sew a $2\frac{1}{2}$ " x selvage width Fabric 1 strip lengthwise to each side of a Fabric 4 strip of the same size. Set the seams. Press seam allowances towards the Fabric 1 (outer) strips.
2. Check for accuracy — strips should be the same width as the A strip sets, depending on their position.
3. Make another identical strip set.
4. Repeat one more time, but use (1) $2\frac{1}{2}$ " x 26" Fabric 4 strip and (2) $2\frac{1}{2}$ " x 26" Fabric 1 strips.
5. Square up one end of all strip sets. Cut a total of (40) $2\frac{1}{2}$ " B segments.

Sew Nine
Patch

part 2-3

Make the Nine Patch Quilt Blocks

1. Pair one A segment and two B segments to create the three rows of a nine patch quilt block.
2. Sew the rows together and press seam allowances any direction. The nine patch block should measure $6\frac{1}{2}'' \times 6\frac{1}{2}''$.
3. Nine patches are the foundation of your larger quilt block, and must be accurate for best results.
4. Make 20 Nine patch quilt blocks.
