

Part 3

Make C Strip Sets and Add Segments To The Nine Patch

①

Fabric 3:

1. (2) $3\frac{1}{2}$ " wide strips cut from selvage to selvage
- (1) $3\frac{1}{2}$ " x 29" strip

Fabric 5:

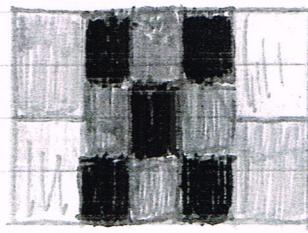

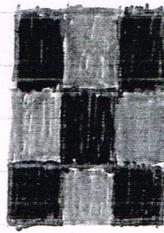

- (2) $3\frac{1}{2}$ " wide strips cut from selvage to selvage
- (1) $3\frac{1}{2}$ " x 29" strip

Sewing

1. Sew a long Fabric 3 strip to a Fabric 5 strip of the same size.
2. Press to set the seam, and then press the seam allowances towards Fabric 3.
3. Check widths. The strip set should measure $6\frac{1}{2}$ " wide along its entire length.
Individual strips should each measure $3\frac{1}{4}$ " wide.
4. Use remaining strips to make two more strip sets (one will be shorter).
5. Check all for accuracy.

(2)

6. Square up one end of each strip set. Cut a total of (40) $2\frac{1}{2}$ " segments.
7. Find a $6\frac{1}{2}'' \times 6\frac{1}{2}''$ nine patch quilt block.
8. Place a C segment (vertically) along the left side of the nine patch, with the Fabric 3 portion of the segment sticking upwards as shown.
9. Place the second C segment (vertically) along the right edge of the nine patch, but flip the segment around so that Fabric 3 is down (aligned with the bottom edge of the nine patch).
10. Sew the two segments to the nine patch. Press seam allowances either direction.
11. The partial block should be $6\frac{1}{2}$ " tall and $10\frac{1}{2}$ " wide.
12. Repeat to add two C segments to each nine patch quilt block.

- (2)
6. Square up one end of each strip set. Cut a total of (40) $2\frac{1}{2}$ " segments.
 7. Find a $6\frac{1}{2}'' \times 6\frac{1}{2}''$ nine patch quilt block.
 8. Place a C segment (vertically) along the left side of the nine patch, with the Fabric 3 portion of the segment sticking upwards as shown.
